

Francis Howell School District  
**FUTURE  
FOCUSED**

## Help us Focus on the Future of FHSD!

The Francis Howell School District is in the process of working on our next five-year strategic plan, and we need the help of our stakeholders. Students, staff, parents, and the larger FHSD community will all have the opportunity to provide feedback and be a valuable part of the process. Successful strategic planning can be divided into three basic steps:

- Where are we now? Reviewing the District's current reality.
- Where are we going? Establish consensus about the desired direction of our District.
- How will we get there? Setting strategic goals, and determining a plan of action.

Everyone will have the opportunity to participate in community engagement meetings, which are scheduled for the following dates:

**Sept. 28, 2017**

Francis Howell High School  
Staff 4:30 PM - 6:30 PM  
Community 7:00 PM - 9:00 PM

**Oct. 3, 2017**
